BOOK FAIR RESULTS – WOW! Our profit from this year’s book fair totals \$2,182.00 Scholastic Dollars! Combined with some Scholastic Dollars left from last year’s earnings the library will be purchasing the following:

- 1. A Reading Center- a bookshelf with attached bench**
- 2. An area rug for reading circles**
- 3. Audio books (25) for reading circles at library time**
- 4. Digidoto (2) these are document cameras for use in the classroom that when hooked to a projector will give teachers the ability to show the entire class an item rather than passing it around or everyone having a copy**
- 5. Grolier Online- an exciting computer research tool for elementary and middle school students that can be used at school and at home**

Thank you for supporting our book fair!
