A note of thanks from Joyce Felder to my  
Grace Baptist Church family:

It is with hearts of gratitude that me and my  
husband (Al) would like to thank our Grace  
family for the many acts of kindness shown  
us during my illness. Thank you for each card, meals, love gifts, hospital  
and home visits, and most importantly your prayers. It has been a tough  
2 1/2 months, but God, our Heavenly Father has been with us through it  
all. After three hospitalizations and an twelve hour surgery, I am doing  
tremendously well. Though I am still weak God provides me with daily  
strength each and every day, and He is continuing to heal me. If there is  
any doubt as to whether God heals at his will, I am a witness that He  
does. What an awesome God we serve. I give praise honor and glory to  
my Heavenly Father for what He is doing in my life both physically and  
spiritually. Continue to pray for us. With much gratitude, Joyce Felder
