TONIGHT is your last chance to bring cards for Todd and Robin Flanagan's **20th** Wedding Anniversary. Let's remember them with lots of Anniversary cards!!!

**We need the following for Children's Ministry:**

1. Helper (not teacher) to work with Wee Worship during Sunday AM service. This is a perfect opportunity for a young married couple or individuals.
2. Helpers (not teachers) to work with 1st - 5th Children's Church during Sunday AM service. Need a couple if possible or 2 individuals. We could rotate Sundays if we could get several couples interested. This is a great group to work with! Just come visit with us during a service to check us out, then decide what God wants you to do! See Randy Cochran if interested.

**The Pioneer Kidz Need YOU!**

We have several needs in the Wednesday Night Pioneer Club program.

1. A couple preferred to be club leaders
  2. Adult workers - - we have some very FAITHFUL teens but need some adults
  3. Game Guy (or Gal) to help
- See Randy Cochran for more information. Come visit with us one Wednesday and check us out, then do what your heart tells you to do.

**ANNOUNCING: Get on the Fence!**

*Get on the Fence* is a program designed to unite community businesses with our school families through \$300 sponsorships of the GBCS athletics program. With sponsorship you have a sign displayed at all of our home sporting events (football, volleyball, basketball, softball and baseball) as well as recognition by our announcers at all home football games. Your donation is tax deductible so "Get on the Fence"! Contact David Blankinship, Athletic Director at 770-222-8955 or [dblankinship@gracedu.com](mailto:dblankinship@gracedu.com).
